RELEVANT EXPERIENCE

Academy Gold Rising Intern

A.M.P.A.S. | June 2022 - August 2022 | Los Angeles, California

- Selected as one of 100 interns to participate in an exclusive film industry internship enhancement program with the Academy of Motion Picture Arts and Sciences.
- Eight-week summer program involving panels, interactive workshops, hands-on production workshops, and networking with Academy members.

The Black List Intern

The Black List | June 2022 - August 2022 | Los Angeles, California

- Collaborated with company executives while pitching potential film and television projects to be considered for labs and the company's development slate.
- Utilized creative judgment to read scripts, write coverage, and identify scripts to be used for reader hiring.
- Participated in company meetings to discuss film funding and development.

First Assistant Director

Actor's Studio of Orange County | July 2019 - October 2021 | Santa Ana, California

- Led the production of various actor demo reels shoots by creating a shooting schedule, budget, and serving as the head of all departments during production.
- Performed office administration and clerical desk duties such as rolling calls, taking notes, and maintaining the company database via Zoho and Google Workspace.

Marketing Intern

Newport Beach Film Festival | December 2018 - June 2019 | Newport, California

- Developed marketing tactics for documentary features selected for the film festival.
- Networked with industry members (such agents, casting directors, managers, and members of the press) for festival outreach and participation.
